PRESENTATION OF TEEN RECOGNITION AND SENIOR CITIZEN OF THE YEAR AWARDS

Supervisor LeFeber welcomed the Avon winners of the Teen Recognition and Senior Citizen of the Year Awards. Their biographies were read, and certificates were presented to each winner.

Jan Totman is the oldest of 5 children and the only daughter in her family. She grew up in Tabors Corners and moved into the Town of Wayland when she was fifteen years old. Jan focused on business while attending Wayland Central School and graduated with a Regents Diploma. After she and her husband Steve were married, they moved to Rochester, and Jan was employed as a Food Service Manager with Rochester City Schools for 26 years. She has been enjoying retirement for the past 7 years.

Jan's hobbies include perennial gardening and sewing. One side of her house has flower beds filled with yellow, red, and orange flowers that were designed to attract hummingbirds. The other side features beds of purple, pink and white flowers. The first Mother's Day after their marriage, Steve bought Jan a sewing machine. Both of their mothers were skilled seamstresses, and Jan made clothes for herself and then for her children.

Jan and Steve recently celebrated their 54th anniversary in Vero Beach with their family gathered together to share in the joy. They have three children, four grandchildren and two great-grandchildren. Jan especially enjoys spending time with her grandchildren and great-grandchildren, and counts spoiling them from time to time as one of her favorite hobbies.

Jan and Steve eventually moved to Avon, and Jan has been a member of the Avon XYZ Group for seven years. When Avon needed a representative for the Livingston County TRIAD group, Jan stepped up and has been a member for three and a half years. When TRIAD found itself without a Secretary, Jan was drafted for this position and has been acting in this role for three years. The members of TRIAD greatly appreciate Jan's willingness to take on this important responsibility.

Josephine "JoJo" VanRy* exemplifies the Braves Way at Avon High School. Students use the Braves Way (Be Brave, Responsible, Actively Involved, Value Yourself and Others, give your best Effort, and be Safe) as guidelines for conduct and Josephine models these values every day. She demonstrates kindness and interacts positively with all students and staff. As President of the Interact Club, JoJo has enthusiastically led the club helping to organize a fundraiser alongside the Avon Rotary Club.

She solicited local bakers to donate cookies for the lunch fundraiser and recruited members to help even before their first meeting. She braved the cold for the Holiday Spectacular where she spread Christmas spirit by handing out goodie bags and helping children write letters to Santa. She spread even more good cheer by showing up to greet teachers and school staff with posters of encouragement and thanks for all they have done during difficult times. She not only continues to lead the Interact club through areas of service but also participated in United Way's Day of Caring as a member of the National Honor Society. She is Class of 2022 Treasurer and has been a member of the Student Council and the Superintendent's Advisory Council for several years. Through these committees, she has demonstrated leadership abilities and has provided valuable input around school activities and issues. Although she shines as a leader, she has no problem being out of the spotlight as she assists in set building, costuming, and running the sound boards for the local community theater and Avon Central's Drama Club. She also has volunteered for the mini-hoops program, the Genesee Country Museum, the Special Olympics, and the Rotary Road Rally. Josephine is a very accomplished young lady with significant academic achievements, a myriad of extracurricular activities and community involvement, all while also working a part-time job. She does an amazing job balancing all her activities and puts effort and passion into everything she does. It is evident that she is bound for great things. Ryan Wagner, Principal, Avon Central School Karen Vanderbilt, Advisor, Avon Interact Club

She has completed 420 informal meetings with taxpayers. Grievance day will be held May 25^{th} from 4-8 and an officer will be on duty while the public is here. Discussions included Pole Bridge Road regarding glare from solar panels for three hours per day and flooding from neighbors and Oak Openings Road where the neighbors have gotten documentation from a real estate agent stating the home values could decrease by 25% because of the mine expansion and truck traffic increases. They will all attend grievance with thirty people.

There have been eight sales on Oak Openings Road for the past three years and none of them have sold for less than the asking price.

I am planning on meeting with everyone on grievance night and scheduling a second day to make decisions.

DISCUSSION – OPEN ITEMS

Deputy Supervisor Mairs stated he visited Paper Mill Park and the picnic tables are in bad shape and the grill needs to come out. The Highway Department fixed the picnic table and its already broken. The signs have been ordered. The County has something to put on the bridge so that graffiti is easier to remove.

Dump Days - Kim will be working. A list is being put together by Kim.

Councilman Harrington stated that he does not have time to clean the front windows and would like to hire someone to clean them every other month. The Board approved the Town Clerk hire someone to clean the windows every other month. The Avon Preservation & Historical Society would like their windows included and will pay a portion of the cost.

Councilman Coyne – The committee that was put together to represent the stake holders which include Livingston County Sewer and Water, IDA, Village of Avon, and the Town of Avon have hired a consulting firm to help put together a grant application for the sewer facility. The process is going well. The ask is to increase the capacity.

Councilman Drozdziel –MWBE requirements are in the web portal and the MWBE requirements have been exceeded. The contracts should be out by Monday for the contractors to review and then for Town Board approval. The next step would be paperwork submitted for bonding and then scheduling a preconstruction meeting that includes development of a timeline.

The project should be completed by the end of the year. Some items might be difficult to acquire. Hopefully, the project will start in June.

There have been significant rises in interest rates currently. Draws can be made from the State during the project. Material would need to be paid for near the beginning of the project.

The Village waived the cost of the building permit.

RESOLUTION #114 ACCEPT THE CLAIMS

On motion of Councilman Harrington, seconded by Councilman Coyne the following resolution was ADOPTED AYES 5 NAYS 0

RESOLVE to accept for payment Abstract 2022-09 in the following amounts:

Concerning ABSTRACT of Claims Number 2022-09 including claims as follows:

General Fund	Amounts totaling \$7,389.03
Highway Fund	Amounts totaling \$6,718.07
Water Fund	Amounts totaling \$58,957.38

Vote of the Board: Councilman Drozdziel – Aye, Councilman Coyne- Aye, Councilman Harrington - Aye, Deputy Supervisor Mairs - Aye, Supervisor LeFeber – Aye

DISCUSSION – SUPERVISOR REPORT

Dedication for Papermill Park will be the 9th of June.

The Audits continues to be worked on.

There was a lengthy discussion on solar in our County and Monroe County.

The Village Mayor would like the Town to annex property on Route #39 near the five arch bridge and would then expect the DOT to agree to lowering the speed limit.

Supervisor LeFeber read Sean Miron's bio presented him with his certificate.

Sean Miron joined Cub Scouts as a first grader and has continued to stay active in Boy Scouts. He has earned many merit badges, held several leadership roles, and is a positive role model for younger scouts. He has been involved with community service throughout his time in scouting, including Scouting for Food each year, helping others with advancement, and many cleanup days. He is dedicated to making the Avon community a better place. This year for his Eagle Scout project he designed, built, and implemented an outdoor classroom for Avon Central School. He spent a lot of time in the planning stages; getting ideas for what would be valuable to the community, obtaining approval for his project from both school and scout leaders, and then fundraising to make it possible. He bought the materials and recruited volunteers to help him. He put a lot of effort into making this a successful project and one that will be used by the community for many years to come. This is just one of the many ways this young man has given back to his community. As a high school student, Sean is actively involved in theater programs and sports, particularly soccer. He does all this while maintaining good grades and having a job at a local restaurant.

Marnie Baker, Scout Leader, Avon Troop 26

Unit charge sheets will be printed off in June by Assessor Snyder and then a date will be set for the public hearing.

Bob Westfall, President of the AP&HS stated that the White Horse is in bad shape with several cracks in the legs and the base in crumbling. The person that worked on it in the past is not available. Several photos have been taken and the AP&HS has claimed the horse and have been taking care of it. We believe the placement near the road and the road salt continues to be the cause of decay. The penny saver may be willing to assist.
