# <u>DISCUSSION – TOWN CLERK REPORT</u>

Town Clerk Knight read the following tributes to former employees Norman Barrett and Patricia Loomis:

#### **Tribute to Norman T. Barrett**

Norman T. Barrett according to Town records was working for the Town of Avon in 1984 as a consultant to the provide his expertise to the water district, and in 1989 he was hired part time in the Water Department to replace valves in the Water Tower and to preform repair and maintenance of the Water District. In his many years of service, he held many positions including Water Maintenance, Water System Operator, Water Superintendent, Fire Code Enforcement Officer, Addressing Official, Code Enforcement Officer and Zoning Board of Appeals Member and Chairman. Norman retired from the Town on July 17, 2014 completing his paid service as a Town of Avon Employee. Mr. Barrett requested and was approved by the Town Board to hire the first Code Enforcement Clerk and he took the lead in continually making recommendations to bring the Town in compliance with new/updated technologies. The following obituary was published in memory of Norman T. Barrett.

Norm was the youngest of eight sons of George and Isabell Barrett. Except for part of his childhood, Norm lived most of his life in Avon. He graduated from Avon Central School in 1955 and attended North Louisiana State on a football scholarship, and then Brockport State. He and Marcia married in 1957. His career was centered in the construction trades, working first for Pavilion Gas, followed by 10 years for Keegan Utilities of Rochester, then five years as Village of Avon Superintendent of Public Works. He was DPW Superintendent for the Village of Geneseo from 1972-1973, leaving that position only because residency was a requirement and his family did not want to leave Avon. In 1973, Norm established his own business, Livingston Construction Company, Inc., specializing in excavation, paving and water systems work. For 17 years his construction company had contracts for water system maintenance for both the towns of Rush and Avon. Through Livingston Construction and later as Avon Town Water Superintendent, Norm oversaw the maintenance and growth of the Town of Avon water system for 28 years. After retiring from the Town of Avon, Norman was hired as the Town of York Water Superintendent for a number of years.

Norm was a generous and dedicated community volunteer, especially focused on youth. He served on the Avon Central School Board from 1984 – 2000 and was board president for 12 of those 14 years. He served over 15 years on the Genesee Valley BOCES Board. A sports enthusiast, Norm believed children could learn many important life lessons on a sports team and generously volunteered time and talents to youth sports activities. He was a Little League coach and co-founder of Avon's Vince Lombardi youth football league. Livingston Construction Company equipment and crew moved donated bleachers from Empire Raceway in Leicester and used them to construct a "stadium" at the Avon Central Football Field. He was also largely responsible for the construction of the Avon youth soccer fields on Lake Rd. Norm volunteered his time and video equipment to film nearly every Avon varsity football game for many years to provide footage to coaches to use as teaching tools.

#### **Tribute to Patricia Loomis**

Dear Members of the Town Board:

I would like to thank you for taking the time to remember my mother, Pat Loomis, who died on Saturday, December 21, 2019, from complications from COPD. My Mom would be sad but also honored to share a place in the Town records with Norm Barrett. Pat Loomis, who served as the Avon Town Court Clerk from 1975 to 2002, died December 21, 2019. Pat began as a part-time clerk with Judge Bill Farr, eventually becoming a full-time employee when the volume of cases the court handled began to grow. She served with many town justices including Jim Steele, Jim Orman, and Fred Woodard. Pat was widely known among justices, attorneys, law officers, and her fellow clerks for work that was a model of accuracy, integrity, and confidentiality. She was also famous for her wit, for the chocolate chip cookies she baked for each court night, and for her determination to keep working despite an accident and serious illnesses that made each day a test of her strength and courage. She adapted to many changes in laws, record-keeping methods, and personnel, and worked hard to ensure that everyone who entered the court was treated fairly and with respect. Outside of court, Pat was known for her knitting, her baking, and her love for and great pride in her children and grandchildren. She enjoyed making and sending cards and loved solving mysteries along with detectives from Magnum to Inspector Morse. Pat had a strong sense of right and wrong and did her best to ensure that justice prevailed in the Avon Town Court. She is and will be deeply missed by her family, her friends, and those who worked with her.

Town Clerk Knight distributed cookies prepared by Pat Loomis's daughter Catherine Loomis to those in attendance.

We begin collection payments for 2020 property tax tomorrow.

Deputy Supervisor Mairs will complete the 2019 Audits in January for the Town Clerk and Town Court.

The following resolution was prepared and presented for consideration by Town Clerk Knight. The Board will request the opinion of Attorney Campbell prior to taking any action.

RESOLVE to acknowledge that on December 30, 2019, a correction was made by the Town Clerk, after review of the Town Attorney James Campbell's recommendation to ratify the earlier action and making sure that the record properly reflects the action preciously taken, thus correcting an error in the Town's Official Minutes of June 26, 2014 leaving out a page of Resolution #110 Zoning Classification of Planned Development District Lot 23 Tec Drive, dated June 12, 2014 as follows:

TOWN BOARD

# <u>DISCUSSION – PAYMENT OF BILLS</u>

Councilman Harrington questioned Attorney Campbell's October to December invoice in relations to Harper Park. Supervisor LeFeber responded stating it was regarding pending litigation.

#### **DISCUSSION – SUPERVISOR'S ITEMS**

Supervisor LeFeber reported on the grant recently awarded to complete the third floor Town Hall/Opera Block renovations. The grant application has requirements attached including but not limited to community use, non-profit events, promoting the space. What wants to be done? The grant application suggested what we wanted to do and the reason to have the space available to the community including nonprofit events. Then we will need to promote the space. A plan needs to be put together and have a bid packet put together. This is expected to be two-year project. There was a lengthy discussion on ways to move forward. The Board recommend a meeting with the committee to review their recommendations.

Supervisor LeFeber reported on the following budget items:

Possibly put Papermill Park grant dollars into a money market account. Community Bank is offering a one percent interest rate.

Highway truck payment is expected to be due in June or July.

Town Hall/Opera Block will require upfront fund balance dollars.

After discussion the Board appeared to agree to have Supervisor LeFeber's Confidential Secretary Kim McDowell begin to draft needs based on current services provided and other input, then we will reach out to various services providers.

PILOT strategy for solar will be discussed at a future meeting.

Town debt includes route #39 water improvements and is long lasting but not a lot of dollars.

A meeting will be held with the Village Mayor and MRB Group to discuss tank location and pressurization using the Livingston County Water Study. The line heading North of Route #15 has needs for repairs.

The independent audit went over budget as the project was not completed or paid in 2018 so a portion was paid in 2019.

The 2020 budget for the Court may be under funded.

# **DISCUSSION – OPEN ITEMS**

Councilman Coyne has set a meeting for the Battery Committee and Supervisor's Secretary Kim McDowell is aware of the need to complete a legal notice.

# **DISCUSSION VISITOR COMMENTS**

Supervisor LeFeber asked for any visitor comments and Visitor Falzoi reported on her visit to Piranha in Webster, New York. Supervisor LeFeber stated they would have customers coming onsite. She stated that she also visited Bruckel's property and Piranha has things stored there as well. There was further discussion on what Piranha will be doing on site as they have three businesses (paving, dumpster and snow removal). A concern raised was if they would be removing/adding oil to other materials.

On motion of Deputy Supervisor Mairs seconded by Supervisor LeFeber meeting was adjourned at 7: 00 P.M.
