VISITORS: Collin Hayes, Dan Cochrane, Kitty Bressington, Josh Bruckel, Peter Bruckel, Cindy Kellen

Supervisor David LeFeber called the meeting to order at 6:00 P.M. and led those in attendance in the Pledge of Allegiance.

VISITOR COMMENTS: Supervisor David LeFeber asked if there were any visitor comments and there were none.

DISCUSSION: Josh & Peter Bruckel were present and discussed activity occurring on their property at exit 9. They accepted concrete debris from the construction activities on route 390. A pile of concrete debris was located on property adjacent to the Bruckel property. They started constructing a road on their property which is in a PDD without notifying the Town Code Department. They came into the Board to discuss the violation given to them by the Code officer. To address the violation The Bruckel's need to: 1-store the material in approved conditions; 2-move forward with a sub-division application to the Town; 3-need to have site plan amendment approval.

The Bruckel's have agreed to move the concrete onto their own property. The material will be out of sight and some holes will be dug to store the concrete. At the time the concrete is moved, it will be crushed. The Board discussed the hours of operation for moving and crushing the concrete. The Bruckel's talked about using the debris to continue road construction and possibly use in certain lots that will be subdivided. It was asked if the road will be dedicated to the Town to be maintained. They answered no. Any road dedicated to the Town must meet our design criteria. Further discussion occurred about details of the sub-division. The board took the following action: _

Councilmen Harrington will abstain due to a conflict of interest of a family member that works for The Bruckel's.

OPEN ITEMS TOWN BOARD MEMBERS

Councilman Drozdziel discussed the continued progress of the Comprehensive Plan. Meeting monthly. Community survey was low. Draft revisions. Also the award for the 2024 Excellence in Historic Preservation Award from the Preservation League of NYS was mentioned.

VISITOR COMMENTS:

Cindy Kellen asked about whether Fritz Enterprises contacted the Code Department about storage. She saw an advertisement.

Dan Cochrane wanted to update the Board the Arend Fox firetruck. Completed Phase 1. Looking for more funds for Phase 2.

Supervisor LeFeber asked for a moment of silence for a Gary Wheat, former board member of 4 years and currently is serving on the Board of Assessment for the Town. He was always looking out for the good of our community. I have some good memories, and he will be missed.

On motion of Councilman Coyne seconded by Councilman Harrington the meeting was adjourned at 7:55 P.M.

Respectfully submitted by:

Diana Farrell, Town Clerk
